SATURDAY MORNING BREAKFAST - AUGUST 3

began with breakfast at Mama's Café in Barling – a little work on one of the antique cars and then on to St. Scholastica at 10 am. Sr. Kimberly met us and gave us an awesome 2 ½ hour tour of this beautiful Monastery on Rogers Avenue. We all enjoyed hearing the history and seeing the beautiful art work and antiques of the Benedictine Sisters. From the library, which was the gym when it was a girl's boarding school, to the swimming pool, to the living quarters of the Sisters we tramped through the Monastery. Sister Kimberly was a wonderful tour director as she entertained us as well as informed us. Carl Albertson treated her to a ride in his Model A at the end of our tour. So many people pass St. Scholastica daily on Rogers Avenue never aware of such a treasure that sits on the hill in Fort Smith. Those who attended are very grateful to Sister Kimberly and the other Sisters for such a wonderful Saturday tour.
