**The trip to Ozark** and then on to Byrd's campground restaurant was a real success. Jim Baldwin reported there were 29 people who took the trip and Jim thanks everyone for their participation. **Thank you Jim** for arranging this trip.

**The Watermelon Party** was a success – check the attachment!!  
**Since we were unable to visit the nursing homes** in the Spring we will choose a new date when the weather is not too hot for the residents to be outside.

**The Gene Low memorial tour** was discussed and Perry mentioned the Rancho del Rio would be a good place for lunch in the Fall when the weather is cooler. Carolyn requests that anyone who has photos of Gene and Lois pass them on to her.

**No definite decision** was made on the Christmas party – however it was mentioned that Merle's Steak House in Alma might be a good place to eat.

**Jerry Boyd** reported that on October 17<sup>th</sup> there will be a fly-in at Byrd's Restaurant. One of the purposes of this event will be to exhibit small experimental aircraft. Jerry will organize this tour if there is enough interest.
