# BOONEVILLE TOUR

## SATURDAY, JULY 7TH

by Valorie Albertson

Sixteen club members met on Saturday, July 7th for our monthly tour making our way to Reid's BBQ in Booneville: Boyds, D. Mitchells, Shroeders, Plunkets, Albertsons, Hallsteds, Reddings, and DeArmonds. It was great to see Gary DeArmond and Don Redding somewhat back in the swing of things after some lengthy illness and surgeries. We left Cisterna Market parking lot soon after 10:30 a.m. Carl and I were almost late. Ruby gave us a bit of a scare when she died at the stop light at Jenny Lind and Zero and wouldn't even kick over. I steered, Carl pushed, and we made our way out of traffic to the Medisave Pharmacy parking lot on Jenny Lind. Carl quickly accessed under the hood and found the problem. The negative battery cable had come loose. ???How did that happen??? He just installed a new battery. LOL Fixed the problem and off we went. Now confident all is well. We motored on down to Reid's BBQ Restaurant with no more problems, except for the engine running a little hot (220 plus), for a delicious lunch and for some, who will remain nameless??, a fried pie dessert and one or two pies to go. Several stayed in town and did a little shopping. A good day was had by all and we made it home okay one more time in the 39 Olds. Thank you to the Boyds for planning the day!!!
