TRUE CONFESSIONS!!

By CARolyn

DATELINE JANUARY 1987: “Don Redding and Bob Rogers admitted they almost went to the Wichita swap a week early. They were packed and ready to leave when J.P. tactfully suggested they wait another week. This discussion at the January meeting brought out a few other confessions from those who actually attended out-of-town events on the wrong dates. I’m still reminding Dale of the cold, wild night we left after work and headed for Chickasha. We arrived at an AIRSTREAM CONVENTION!!! Fortunately we didn’t have a trailer-load of car parts along or there’d have been a homicide.”
