“Car Kids Talk”—When a member has been asked to talk about one of their cars for 5-minutes.

Speaker for May was Harold Yates who spoke about the many cars he and Susan have had through the years. Harold got involved in old cars at an early age. At age 13 he was fixing his Dad's gravel truck. At a young age he was able to purchase a car for \$35 pulling it home with a lawn mower. With some minor work, he was able to sell it the very next day for \$85. He was hooked. Harold says the car hobby is the best hobby anyone can get involved in with some of the very best people.

Next Month **“Car Kids Talk”** will be given by Jerry Boyd
