TOUR TOURS!!!

OCT. 3 – NURSING HOME TOURS – Approximately nine cars toured three Nursing Homes -- Mercy, Methodist and Arkoma .This was followed by a lunch at George's. Thanks to those who made this tour...the residents all enjoyed seeing the cars.

OCT. 3 – BARLING CRUISE NIGHT – Some members of the FSAAC attended this event and cars were judged – Don Redding won **BEST PAINT JOB** on his 56 yellow Cadillac. Congratulations Don!!

OCT. 17 – FLY IN – Jim and Jean Baldwin lead the trip to Byrd's Recreation Center on the Mulberry River north of Ozark, AR. for the annual fly-in. Members making the trip with the Baldwins were Ron and Starla Plunkett, Danny and Diana Mitchell, Perry and Martha Jones and Bill McKee. Perry and Martha had a guest from Russellville meet us there. The weather was perfect. About a dozen planes were on display and we watched some take off and land and had lunch at Byrd's Restaurant....pictures attached.

NOV. 7TH – Six cars took off from Roland on a beautiful Saturday morning to see **our old friend, Lois Low**. As most of you know, Gene and Lois were loyal members of FSAAC for many, many years – clear up to his passing in February. They drove tons of miles from Tahlequah to attend meetings and other events, and went with us on many tours. Lois was so pleased to see us and we met her daughter and great grandson.

Their home is filled with lots of interesting auto memorabilia, including the largest private collection of model cars we've ever seen. The cars Gene was working on include the following convertibles: 1958 Edsel, 1972 Pontiac and Chrysler 300. He had previously sold a 1941 Studebaker President and 1929 Nash. After the tour of the Low home all enjoyed steak sandwiches at a popular 50's restaurant. Tour Participants: Hugs (and daughter, Cyndi), Johnsons, Jones, Plunketts, Stevens, and Vanns.

INCIDENT: Everything went smoothly, except, before we left Roland Johnsons' dashboard lit up like a Christmas tree and under the hood they found an assortment of acorns, leaves, cotton, cedar clippings and a rock. THEY hightailed it back home and changed vehicles. Must be fall. (CARolyn)

NOV. 15TH VETERANS PARADE AT CHAFFEE – WEATHER STILL COOPERATING WITH FSAAC. Our second Saturday in a row driving with sunny skies and perfect temps! Cars participating in the parade included Boyds, DeArmonds, Hugs, Johnsons, Jones, Mantooths, Plunketts, Reddings, Schwartzs and Dane Warnock.

It was a long wait from 9:30 till 12:00 but we made great use of the time by visiting up and down the line of cars. I got to visit with people I often just have time to say “Hello” to. The meetings are great fellowship but events such as this give us a chance to get to really know each other. For example, Rosetta didn’t even know that I sometimes do a lot of spitting when the only facility is a port-a-john.

Some cars got hot and the Boyd’s T-Bird showed out 2/3 of the way through the parade, so the Boyds finished in our back seat with the top down. Bless her, June didn’t complain once about her hair – what a trooper? Lunch was at Joe’s and what super chicken enchiladas. They even played Cielito Lindo on the music box. Was that great or what? Hey, don’t forget Thursday is an important meeting so be there! Martha says we’re going to have horse dervies. (CARolyn)

NOV. 19TH 7:00 PM FSAAC MEETING -- Thanks to the current officers for a job well done. At this **NOVEMBER 19TH** meeting new officers will be elected – bring finger foods/appetizers. You may bring your **SOCKS FOR THE GOLDEN RULE CLOTHES CLOSET** or to the **CHRISTMAS PARTY**. Time to pay **FSAAC And MOTAA** so bring your **\$\$\$** to the meeting.

NOV. 26TH – HAPPY THANKSGIVING – GIVE THANKS FOR ALL WE HAVE!!!
