**NOVEMBER MEETING - GRAB THOSE FORKS!!**

It's here at last! The meeting none of us can resist - probably the yummiest meal any of us will have all year. And to think all you have to do is show up - and like magic there will be lots of delicious food appearing from nowhere. Kinda like Grandma's, you never knew how it got there, you just went to the table and there it was. Wonder how it happens? Any of you ladies know?? Oops - I'm forgetting, we do have some great cooks who are guys, don't we?

**VETERANS DAY PARADE**

FSAAC was well represented at the breakfast and Mama's and parade at Chaffee. Dale had a passenger, a 101 year-old friend who is a veteran of WW II. Roy Rich received a lot of attention - they had a sign on the car, and were often stopped along the parade route so people could meet him. Afterward a birthday party was held in his honor. He's pretty sharp; Dale asked how much he was paid when he started serving in the army as a Medic in the Philippines. He said "\$21 a month, but I had to send most of it home." He enjoyed the ride immensely, and plans to ride again next year when he is 102.

**ELECTIONS - HERE WE ARE**

Once we have enjoyed all the great food at our November meeting and are all mellowed down from the dessert, we will get into the business of deciding who will be helping out in 2018. We will be needing a VP and news person. Having lived through both of these assignments, I assure you with confidence it will not kill you nor even make you sick. On occasion, you may even be treated with a certain respect and gratitude, not to mention a sense of self-worth. Most of the people who have volunteered in the past were busy, some extremely so. But they still found time to help keep FSAAC in motion. How about you?

PS - Dues are coming up pretty quick. This would be a good time to include them in the check you give to Ron. You'll have it over with and make his work much easier.
